

WHAT ARE YOU CALLING THIS MINISTRY? _____

A BRIEF DESCRIPTION:

- Is it consistent w/ the Christian faith? Our Open & Affirming commitment? “A church with heart”?
- Does it practice good stewardship of resources? (human, \$, time, space...)
- Does it highlight ministry to or with our currently identified mission field? (families raising kids)
- Does it balance outreach (mission) and inreach (community-building)?

MINISTRY TRIAD – Minimum 3 person team *for all ministry initiatives*

Person Proposing	
Which two people will take responsibility for helping you make this happen?	1. 2.

And let us consider how to provoke one another to love and good deeds... Hebrews 10:24

Use this page – both sides - to outline the ministry you’re planning. Our leadership teams will check to make sure it lines up with our vision, values & current ministry priorities - and doesn’t conflict with anything else in the works. We’ll keep this sheet in the church office in case people have questions.
