

Not In Our Name

Music by Bryan Sirchio

Lyrics by Bryan Sirchio and the McFarland UCC "Not In Our Name" task force

We clearly see what's going on
Deep in our soul we know it's wrong
We will not simply turn away
This won't be done in our name

***For the sake of the children, in the Name of Love
In the name of all that's decent and good in all of us
We will not be silent, we will not stand by
When policies kill children, and laws dehumanize
It's wrong to treat people this way
And this will not be done in my name!
Not in our name!***

These babies torn from mothers' arms
These desperate families forced apart
Their agony's a siren call
It's time to reunite them all!

Chorus
